

The Discovery Den, powered by KidooLand

*Where Tiny Feet Take Giant Leaps ...
for Little Ones aged 5-36 months with their Parent/Nanny.*

The Early Years are our passion and our area of expertise! With over 18 years of experience working with babies and toddlers, we've developed a specialised range of classes designed to meet the unique developmental needs of children aged 5 to 36 months. Our sessions gently guide little ones as they **explore the world** around them, helping them **build the confidence, coordination, and communication skills** they'll need for preschool and beyond – all **at their own pace** and in a nurturing, English-speaking environment.

Parent & Child Sessions that Nurture Both of You

We know that parenting in the early years can be both joyful and overwhelming. That's why we've created not just a space for your child to grow – but a community for you, too. Our classes offer opportunities to meet other parents, share experiences, and build real connections with others who understand the journey you're on. Our experienced teachers are also there to support you – ready to offer guidance, answer questions, and share tips drawn from years of working with young children and families.

And **once your child is comfortable in our sessions, regular members will have the option to leave your little one with us while you step into our calm and cosy Parent Lounge** – whether it's to enjoy a quiet cup of tea, catch up on work, or simply take a moment for yourself.

 **You stay and connect. They learn and explore. It's play with purpose.**

Discover, Play & Learn – One Story at a Time

Each week, we dive into a brand-new storybook adventure!  

All our Discovery Den sessions are themed around that week's book – from Montessori play to crafts, music, and movement – creating a rich, connected learning experience for your little one. 

*The highlight of the week is our **Sensory Storytime session on Tuesdays**, where the story truly comes to life through props, songs, and hands-on fun! *

Storytime & Movement

Where stories come to life through play and imagination! 

Each week, little ones step *into* a different story during our interactive storytelling sessions – acting out classic tales with props, songs, sounds, and movement. These joyful sessions spark creativity, build focus, and nurture early language skills, all while helping children express themselves with confidence. 

We weave in plenty of movement and sensory play to help children get their wiggles out, stay engaged, and fully experience the magic of each story. From shaking, dancing, and tiptoeing to exploring textures, sounds, and colours, every session is designed to delight the senses and bring books to life!  

Singing, Storytime & Tea & Tots

Each week, we'll share favourite songs, rhymes, and simple stories to nurture early language and listening skills – with plenty of chances for little ones to join in through movement, rhythm, and sound.  

After our mini singing and storytime, it's time for **Tea & Tots** – a cosy, parent-supervised play session where little ones can explore our toys and space while grown-ups enjoy a warm cuppa and friendly chat.  

It's the perfect *mid-morning pause* – a relaxed and social moment to connect, play, and start the day with smiles! 

Music & Movement (Baby Gym)

This energetic session supports motor skills, rhythm, and coordination through music, scarves, climbing soft play, and movement games. It's a joyful way to build confidence and connection – with lots of giggles along the way. Get ready to wiggle, clap, crawl, and bounce!

Little Explorers

Through stories, songs, movement, and hands-on discovery, our Little Explorers build key early skills in language, numeracy, and confidence – all in a joyful English environment.  

Each week brings something new to spark curiosity! Inspired by Montessori principles, some sessions focus on independence-building and fine motor skills through practical, sensory play. Others invite children to dive into creative craft projects – painting, gluing, squishing, ripping, and sticking – exploring textures, colours, and imagination.  

Whatever the theme, every activity is designed to be interactive, rich in learning opportunities, and above all, *fun!* 

Tuesday – Montessori & Creative Play

- Stories, songs, and movement to boost early language and confidence
- Montessori-inspired hands-on activities for independence and fine motor skills
- Creative crafts to explore textures, colours, and imagination 

Thursday – Messy Play & Discovery Baskets

- Sensory-rich messy play experiences (paint, foam, rice, and more!)
- Treasure baskets and open-ended exploration for curiosity and concentration
- Fun themed crafts to spark creativity and tactile learning  

Friday – Science & Early Years Skills

- Simple STEM and Montessori-style experiments to spark wonder
- Fine motor, sorting, and counting activities for early maths and logic
- Language-rich play to build communication, curiosity, and confidence

Buy your best-value, annual **Foundation Pass** via our app, tell us which morning & which sessions you'd like to sign up for at the outset and we'll guarantee your place for those sessions for the whole year (30 weeks).

🕒 *You're a Foundation Pass holder & can't make your usual morning?*

We understand that appointments and life can sometimes get in the way. That's why we offer a little flexibility: If you give us at least 1 week's notice, we'll do our best to move your child's session to another morning in the same week, subject to availability. This gives you the best of both worlds – a fixed routine with just enough wiggle room when you need it.

Remember, all our passes include FREE ACCESS to our PARENTS' LOUNGE for regular members, once your little one has settled in and adapted!
